Party Companion™

Blue Moose News!

Moose alert! There have been multiple reports of moose sightings in local retail stores across Ohio. These aren't the majestic beasts of the North however, they are the Blue Moose Marketing Co.'s Party Companion™ trays. Here just in time for the kickoff of football season, the football themed trays are now available at select locations of Kroger's and Jewel-Osco stores.

Building on the excellent response at the Ultimate Tailgating Party at the National Sports Licensing and Tailgating Exhibition in Las Vegas, Blue Moose has gained momentum and will be introducing several new themes to the existing lineup over the next few months to add to the popular Football, Racing, Birthday, Graduation, and Patriotic themes.

The trays are perfect for backyard barbeques, tailgating at your favorite sporting event, tented events, buffets, or indoor party when you can use an extra hand to keep everything coordinated in one easy to carry tray. Party Companion™ trays are sturdy, durable, and re-usable!
